Your bulky waste solution!

The City of Yukon's Sanitation Services Department is proud to offer bulky waste disposal! 10, 20, 30, or 40-cubic-yard bins are available to rent for your next clean up, construction, or demolition project.

Once ordered, the bin is delivered to you. Sanitation Services is dedicated to providing quick delivery and quality service.

Pricing is all-inclusive. Customers receive a bin for seven days with up to eight tons of disposal.

If during your rental you need to dispose of additional bulky waste, Sanitation Services will dump the container and return it for only the trip and disposal fees.
