Subject: City Council Update

Next Tuesday we are having a Special YMA and City Council meeting for the purpose of moving forward on the consolidation of our Revenue Bonds as discussed last Tuesday evening. John Michael Williams and others will be present to lead us/you through the process. It is really a straight forward process that we believe will do great things for the City. I am having eye surgery (lens replacement) that day that can't be changed at this late date and will not be present. Tammy and Doug will be in attendance. John will do most everything as you did all of the heavy lifting earlier this week.

All of the blanks in the resolutions will be filled in by the time you vote. John will explain all of that at the time.
