Subject: City Council Update

We have a really light agenda this Tuesday. We only have one action item outside of the Consent Docket. You are being asked to consider approving an expenditure of funds for the replacement of the pump and ancillary wire and pipe at Well #15 as well as the installation of a motor soft start not to exceed \$35,000. The funds would come from the budgeted repair and maintenance account within the Water and Sewer Treatment and Supply fund. Now that temperatures have moderated some our water consumption is down and we have been able to get this to you before the repairs were done.

A handwritten signature in blue ink that reads "Grayson Bottom". The signature is written in a cursive, flowing style.
