Subject: City Council Update

We will start our meeting Tuesday evening with a Public Hearing regarding a resolution to make "all" city owned property tobacco free. This is the next main step with regard to our next round of funding as a Certified Healthy Community. We understand that enforcement is an issue, enforcement within our City parks require citizen participation for the most part.

There are no action items on the YMA agenda and only one on the Council agenda. You are being asked to consider approving a re-submittal of the final plat of Stone Mill – Phase IV to change the name on the plat from 3N Development to 4N Development, LLC.

Under the consent agenda are a series of agreement renewals. Of note is the agreement with the Yukon Chamber of Commerce. The revised agreement calls for the Chamber to start paying a monthly rent for their building of \$375.00 per month, the payment of \$1,500 per month from the City toward operating costs, and an incentive payment based on direct sales within our corporate boundaries of 33% of the sales tax generated by the Shop Yukon promotion sponsored by the Chamber through the Christmas shopping season.
