**Subject:** City Council Update

Our First meeting of 2012 will start with a Study Session at 6:00 PM. Kevin Jones will be talking about the Fire Station Alerting System you will be voting on later in the evening. Kevin will explain the trials and tribulations he has gone through trying to get pricing for this system. Robbie will give you a brief intro about the award we are receiving.

Vice Mayor Nick Grba will be conducting the meetings. You are being asked to consider two action items under the YMA agenda. The first is to consider adopting the Yukon Municipal Authority/City of Yukon Investment Policy that we have discussed the last two meetings. The second action item is to consider the expenditure of funds in the amount of \$42,864.39 for the purchase and installation of a Westnet First-In Alerting System for the new Fire Station. Chief Kevin Jones will be present at both the study session and the regular meeting to answer your questions.

Starting off the City Council meeting, Chairman Joe Edwards of the Yukon Park Board will be present to report on the members and activities of the Board. We only have one action item for the City Council's consideration. You again are being asked to adopt the Yukon Municipal Authority/City of Yukon Investment Policy. Kind of a light agenda to start the new year.

Grayson Bottom, City Manager
