Subject: City Council Update

There are two action items for consideration under the YMA agenda. Both items relate to purchases for the fire station. The first is the purchase of bedroom furniture in the amount of \$16,934.33. We are proposing to purchase the furniture from Oklahoma Correctional Industries (OCI). The second action item is for the purchase of 8 recliners from Stuarts Home Furnishings here in Yukon. The agenda items as stated is for the purchase of 32 recliners for \$30,246.92 (8 from each of the stores we got quotes from). We are just buying 8 recliners for \$5,600. We will need to make a motion that authorizes the expenditure of \$5,600 only.

There are no action items under the City Council agenda. You are being asked to consider convening in Executive Session to be updated on pending litigation. Mike will lead that discussion. I would remind Council that State Law allows only the City Council and the City Attorney to be in the Executive Session. Others with a direct connection to the issues to be discussed may be invited, such as the City Manager.

You are receiving two documents to review and make comment on over the next two weeks in anticipation of your consideration to complete one project you have previously agreed to and one ordinance previously submitted during a study session. I have had Matt prepare a memo of pro's and con's for your information.

Also, we will have a race in Ward 4. I have had Council books prepared and distributed to the three candidates as well as the informational documents. We will do this each meeting until after the election at which time we continue to provide the books and informational documents to the candidates to be sworn in.
