

Residential Roofing Guidelines

Submittal Requirements:

- 1) Any person hired to perform work must have the required City of Yukon contractor registration to do work within the city limits, must be licensed with the State of Oklahoma and they must obtain the required roof permit before beginning work.
- 2) Provide a completed permit application. Indicate the roofing material, number of squares of roofing to be installed, and number of layers on the existing roof or if you are removing the roof covering to the roof deck and any other required information.
- 3) The valuation must include the total labor and material for tear-off and installation of the new roof.

General Requirements:

- 1) The permit holder is responsible for complying with the 2009 International Residential Code requirements for roofing materials (**R904**), coverings (**R905**), attic ventilation (**R806**) and reroofing methods (**R907**).
- 2) Headwall and sidewall flashing, roof jacks and storm collars are required to be replaced if missing, damaged or rusted.
- 3) Cracked or damaged vent flues and terminations are required to be replaced and or repaired by a registered mechanical contractor. (**Note:** The permit holder is responsible for checking all gas vent flues to ensure that they have not been damaged during the roofing process after the roof has been completed. If required to replace a minimum of 1" clearance is required.)
- 4) All mechanical, Electrical, Plumbing and Gas disconnects and reconnects are required to be completed by licensed and registered contractors and the proper permits and inspections are required to be completed.

(Please see reverse side)

- 5) The permit holder is responsible for reviewing any additional loads to the roof framing.

Inspection Requirements:

- 1) A ladder shall be provided by the roofing contractor that is in compliance with OSHA standards and secured to the roof, if a ladder is not provided a visual inspection from the ground will have to be completed.
- 2) To schedule a roof inspection, call 405-354-6676 and request a final roof inspection.

****Door to door solicitation will need to go through the Police Department located at :
100 South Ranchwood Blvd., Yukon, OK****
