

SANITATION SERVICES

The City of Yukon is honored and proud to be the only community to receive DEQ's Oklahoma Clean Community Award 2 years in a row!

Pictured back row left to right: Council Member Michael McEachern, Council Member Earline Smaistria, Council Member Donna Yanda, Mayor John Alberts, City Manager Grayson Bottom. Front row left to right: ODEQ Used Tire Recycling Program Ferrella March, ODEQ Used Tire Recycling Program Katrina Pollard, Sanitation Director Bill Stover, Executive Director Keep Oklahoma Beautiful Jeanette Nance, Division Director ODEQ Land Protection Division Kelly Dixon.

The City of Yukon's Sanitation, Stormwater, and Parks & Recreation Departments host several events and service projects throughout the year, giving citizens opportunities to be good environmental stewards. Citizens are encouraged to clean, beautify, prevent, recycle and reuse by participating in such events as Big Trash/Recycle Day, Rain Barrel Project, the Big Event, the Patriot Project, and Ride Your Bike to Work Day. Additionally, they are encouraged to utilize the services of the Transfer Station and Recycle Center.
