**ITEM 3:** **DISCUSS TRAFFIC CONCERNS**

Mr. Lee stated multiple signals in the City seem inefficient. He has noticed a lot of "initial green" signals staying on, when there are no cars around. This seems to be noticeable in the evenings.

Mr. Montgomery had nothing at this time.

Mr. Goulden stated pot holes will be expected with all the rain.

Mr. Tallant has nothing at this time.

Mr. Knuppel stated there are three "No Parking" signs that need attention at 10<sup>th</sup> St. north of the Junior High. They are leaning and have graffiti. He is not sure the signs are needed. He noticed we have new bicycle emblems/signage being placed on roadways and other new signs around town.
