Item 3. Discuss placement of "children at play" signs on Montreal Dr.

Hello Doug,

I would like to request "Slow Children at Play" signs, and/or speed bumps to be placed on my street. We currently live at 1028 Montreal Dr, which is a cut-through street from 10th Street to Garth Brooks. With the bridge being down on 10th Street there is an increase in traffic on our already busy street. People do not slow down going around the corner of our house since it is a pretty large turn. There is one speed bump down the street from us and seems to slow people down somewhat, only to gain their momentum back by the time they reach our house. I have 3 children that like to play outside, and I do not feel comfortable letting them because of the traffic. There are several other small children on our street, 3 living across the street, and 3 living next door. I would love to see something put into place to help protect these children from getting hit by a car. Please take this into consideration at your next meeting.

Sincerely,  
Tina Brooks
