You can also call during our business hours and pay by phone. Visa, MasterCard and Discover are accepted and a \$3.00 fee per transaction is charged.

Please be aware of these tips to ensure that your payment is accurately submitted and completed:

1. After entering the required information, please watch for a final screen that has a brief "Approved" message with an associated approval number. **Your payment will process if this step occurs.**
2. A payment will be declined for various reasons and a final screen will appear with a message, but it will not include the word "Approved" with an approval number. Common reasons for a payment being declined include errors when entering the card number or expiration date.
3. Customers who enter their e-mail address in the appropriate field will receive an automated "Approved" e-mail, if their payment is valid. **An automated e-mail will not be sent if their payment was declined for any reason.**
4. Payments must be submitted by midnight Central Standard Time on the due date to be considered on time.
5. If you receive a cut off notice and pay shortly prior to service termination, please call our office to confirm that your payment was received.

Thank you for your cooperation.
