City of Yukon Phone Directory

DIAL DIRECT

It's easy to connect to City of Yukon departments or personnel when you need service, have a question or seek information. Every department now has a direct phone number. Gone are the days when calls came in through a central switchboard. We hope you will retain this directory for future reference. When the need arises, please give us a call. It is a pleasure to serve you!

**From the Office of the Director
of Sanitation Services
Bill Stover**

September, 2012

Dear Sanitation Services Customer:

As part of the City's transition to automated trash pickup, we will need to replace some of the poly carts currently in use. The anticipated arrival date of the new carts is the last week in September. At that time we will begin swapping out your old style cart and replacing it with a new one at no cost to you. This process is estimated to take 4-8 weeks. The new style cart can be serviced by our current trucks as well as the new automated side-loading collection trucks which are estimated to begin service in the late October early November time frame.

Replacement of all cart types pictured below will start late September-early October.

If your cart is one of the types shown, we request that you place it at the curb every trash day during this 4-8 week time frame as we will be changing out the carts during your normal scheduled pickup days. If you already have more than one cart of the type shown they will both be replaced on this initial roll out. If you regularly require more than one cart for your residential waste disposal you may request a second cart at no cost by completing the "Residential

Request For Second Cart" form. These additional carts will be rolled out after the initial roll out of carts has been completed.

Should you need further information please contact us at SanitationServices@cityofyukonok.gov or phone at 354-4317.

John Alberts, Mayor & Council Member Ward II
Ken Smith, Vice Mayor & Council Member At Large
Nick Grba, Council Member Ward I
Rick Opitz, Council Member Ward III
Michael McEachern, Council Member Ward IV

**From the Office of the Director
of Sanitation Services
Bill Stover**

RESIDENTIAL REQUEST FOR SECOND CART

If you regularly require more than one cart for your residential waste disposal, please fill out the information below and submit to the Sanitation Services Department. A second cart will be delivered to your address at no charge. Please do not return this form to the Utility Billing Department or include it with your monthly utility payment. Questions should be directed to Sanitation Services staff.

Please print.
