### Help become part of the solution rather than part of the problem!

Fall is here so Stormwater Quality Department would like to remind everyone how they can help keep our stormwater runoff as clean as possible. With fall in the air it is not unusual to accumulate numerous leaves in your yards. Therefore, we cannot stress enough the importance of picking up the leaves and composting them or bag them to be disposed of properly. **Do not blow them to the street.** (This is a violation of our City Ordinance.) Do your part to keep the drainage system clean.

For more information contact Anna Waggoner, Stormwater Manager with Community Development, City of Yukon at: 405-350-8930 or email [awaggoner@cityofyukonok.gov](mailto:awaggoner@cityofyukonok.gov) or come by at 532 West Main. This information was taken from EPA's website and for more information visit at: [www.epa.gov/npdes/stormwater](http://www.epa.gov/npdes/stormwater) or [www.epa.gov/](http://www.epa.gov/)
