**our water is
valuable!**

OUTDOOR WATERING RESTRICTIONS CONSERVATION IS MANDATORY

The City of Yukon is under a mandatory odd-even rotation schedule for outdoor watering. Odd/Even Rotation is based on the last digit of your address. Odd-numbered addresses may water on odd days. Even addresses may water on even days.

Last number of the building address - 1, 3, 5, 7, 9 - water odd number days

Last number of the building address - 0, 2, 4, 6, 8 - water even number days

Residents may wash their car in the driveway at any time as long as they have a hose nozzle with a turn-off valve. Also, residents may water with a watering can at any time.

Yard sprinklers and sprinkler irrigation systems may be used only between 11 p.m. and 4 a.m.

Restrictions are permanent. More measures will be added if drought continues.
