

UTILITY BILLING

INDOOR POOL WAIVER

I hereby authorize City of Yukon personnel to enter my home for the purpose of filling my indoor swimming pool. I understand that the pool will be filled by water obtained from a nearby fire hydrant and that fire hoses will be connected from the hydrant, across my property and through a residential door where the pool is located. I understand that personnel will remain on-site throughout the procedure. I agree to hold the City of Yukon harmless for any damage that may or may not occur related to the indoor pool filling.
